Dynamic Carpet Cleaner

Environmentally Friendly • User Safe • Biobased Formula

For High Quality Extraction-Type Cleaning For Rugs & Carpets

Action:

- ✓ A cleaner that provides very fast cleaning action by utilizing state-of-the-art *Dynamic Surfactants* technology.
- ✓ A powerful blend of ultra-safe ingredients that provides rapid removal of both oily and dry soils on natural and synthetic fibers.
- ✓ A green product that replaces cleaners that are made with harsh chemicals.
- ✓ Cleans and lengthens fabric life, vividly brings out colors and patterns, and dries quickly.
- ✓ Will not re-attract soils, cleaned surface lasts longer, even on specialty fibers.

Applications:

- ✓ Clean commercial/consumer-type rugs or carpets in the home, car, boat, buildings and industrial spaces.
- ✓ Use it in extraction-type carpet cleaning machines and/or truck mounts.
- ✓ May be used as a pre-spotter for high traffic areas, or as a daily-use spot remover.

Benefits:

- ✓ Recognized by DfE U.S. EPA, solution meets and exceeds the USDA minimum for biobased content and is listed in "USDA's Biopreferred Catalog".
- ✓ Super-concentrated, it requires only 1 to 2 ounces per gallon.
- ✓ Safe for all modern carpeting, including nylon, acetate and other synthetics.
- ✓ It produces low, controlled foam, is totally free rinsing, and leaves no residue.
- ✓ VOC-free solution, contains no organic solvents, no carcinogenic chemicals, no dyes, no fragrances and is readily biodegradable; safe for septic and sewer systems.
